Oxfordshire's best kept secret

Welcome to Hardwick Parks – a hidden world in which to do as much or as little as you like!

If you're looking for a bit more out of your holiday and want to get away from it all, Hardwick Parks with its 180 acres of beautiful park land and lakes is perfect for you. It's a beautiful location which is the proud recipient of a David Bellamy Conservation Award. Hardwick is teeming with wildlife in their natural habitat, all of whom are encouraged as our guests! We are proud to be a keen conservation loving park, which you will see reflected in all areas at Hardwick.

Relax on the banks of the River Windrush, totally removed from the routine of everyday life. Get an adrenalin rush from one of the various sports on or off the water or simply explore all the surrounding area has to offer - there's plenty for everyone!

We are perfectly situated for the country lover as well as being close to the spectacular City of Oxford and the many surrounding picturesque Cotswold towns and villages, all waiting to be explored. At the end of the day, you can relax in our beautiful Riverside Clubhouse and enjoy a drink or two and a bite to eat.

If you are looking for a short break or something longer, call now and we will be happy to help you choose what's right for you. If you fall in love with Hardwick Parks, as so many do, you can even buy your own caravan to use at your leisure.

Whenever you choose to visit us, we look forward to welcoming you and ensuring that your stay here is as enjoyable as possible.
